Dumbo Arts Festival. September 24-26. Now in its 13th year, this popular festival will again take over the waterfront community's galleries, storefronts, performance venues, studios and parks, extending even into the river itself. This year's festival will be multi-disciplinary, celebrating high-quality art ranging from visual art to performance art, music and literature. Also, for the first time, the festival will include family programming. For more information including the full schedule of events, visit www.dumboartsfestival.com.
